Be a hero!
Take credit for helping a child!

Reduce your tax liability by making a tax credit donation to a school in the Washington Elementary School District.

Washington Elementary School District (WESD), the largest elementary school district in Arizona, is proud to serve a diverse population of over 23,000 pre-kindergarten through 8th grade students in north central Phoenix and east Glendale. Through meaningful relationships among students, parents, community and staff, WESD strives to achieve its mission of "student achievement, preparing all students to become responsible, successful contributors to our diverse society."

- Students enjoy fine arts instruction, including general music, instrumental music and art, at all schools.
- Students' physical fitness is encouraged and enhanced through physical education classes, as well as after-school athletic opportunities at each school.
- Students pursue interests and acquire leadership skills through a variety of extracurricular activities, including yearbook, chess club, cheerleading, garden club, student council, leadership team and National Junior Honor Society.
- Highly qualified, appropriately certified teachers provide standards-aligned instruction throughout the District.

You decide where your money goes!

When you make a school tax credit donation you are enhancing the education of a child. Your donation can go to the program you specify, or you may permit the school to designate which of its extracurricular programs your donation will support. You do not need to have a child enrolled in school to make a tax credit donation.

As a taxpayer, Arizona Revised Statute §43-1089.01 allows you to reduce your personal state income tax bill. It's a win-win situation! For example, if you owe $650 in state income taxes and you donate $200 to a WESD school, you may subtract $200 from the total taxes owed. The actual income tax you owe would be $450. Check with your personal tax consultant to see if you are also eligible for a deduction on your federal taxes.

For more information, contact the Accounting Department, 602-347-2631, or visit us online at: www.wesdschools.org.

State Department of Revenue Guidelines

➤ The tax credit program gives a dollar-for-dollar reduction in state income taxes. **The credit is $400 for married taxpayers who file a joint return and $200 for single taxpayers or heads of households.** If married taxpayers file separate returns, each spouse may claim one-half of the credit that would have been allowed.

➤ Public education tax credits may only be used to the extent that they reduce a tax liability to zero. Any unused amounts may be carried forward for not more than five consecutive years.

➤ You do not need to have a child enrolled in a school to take advantage of this tax credit.

➤ If a program is not designated by the contributor, the school will choose a program based on greatest need.

➤ Checks must be made payable to the individual school of the taxpayer's choice.

➤ **Tax credit donations must be made on or before April 15 to be applied to the prior year's taxes.**

➤ When the school receives the check, a receipt will be issued for the individual's tax record. The District will also submit notification to the Arizona Department of Revenue.
